

Luxxor® LTC Camera HD Color Video Camera

Overview

The New Luxxor® LTC Camera attaches to any Hawkeye® Rigid or Flexible Borescope, transforming it into a complete Video Borescope System. The system contains the New LTC HD video Camera with 3MP CMOS sensor and provides crystal clear images, 25mm Luxxor Video Coupler lens, and Video ToolBox Software. The camera offers both USB3 and HDMI outputs, and the Video Tool Box Software allows easy still image and video capture. It also includes a zoom feature, various cross hairs and grids, and image annotation.
